

# Community College Colloquium

*Join Lyvier Conss, Executive Director of the Community College National Center for Community Engagement, and Michigan Campus Compact for an interactive dialogue regarding:*

- *Working with faculty, including development and training*
- *Working with community partners*
- *Incorporating issues into campus life*

*Participants are encouraged to bring their syllabi and course learning outcomes to the session to be used within the workshops.*

**Featured Speaker: Lyvier Conss**

Lyvier Conss has more than twenty-two years of experience in non-profit administration, grants management and fund development. She is the founding executive director of the CCNCE which was established in 1990. Through her leadership, the Center has disbursed more than three million dollars to community, tribal, 2-year and technical colleges throughout the contiguous U.S., Alaska and U.S. Territories to support the pedagogy of service-learning and civic engagement. The focus of the projects have been on increasing academic achievement, critical and reflective thinking, civic responsibility, community involvement and faculty development.
